Mission

The mission of Persian Ferro Silicon Company is to provide products with excellent quality and reasonable prices to domestic and foreign customers. We are always striving to increase our customers' satisfaction and play our part in the growth of the country's industry through innovation and continuous improvement of production processes.

Persian Ferro Silicon seeks to become the leading producer and exporter of ferrosilicon globally. We are moving towards a bright future in the industry by relying on technical knowledge, experience and commitment to quality.

Ferro Silicon				FeSi	
Size (mm)	Si (%)	Al (%)	C (%)	S (%)	P (%)
